

CLIPPER AVIATION MAINTENANCE DROP OFF INSTRUCTIONS

We are excited to provide drop-off instructions for your upcoming service appointment.

Additionally, you are welcome to drop your airplane off at any FBO of your choice. We will come pick up the airplane and bring it to our maintenance facility.

If you have any questions before your flight, or have maintenance questions, you can call the following helpful people:

ARRIVING TO THE PARK VNY

The Park VNY

SW-3, 14 JUL 2022 to 11 AUG 2022

SW-3, 14 JUL 2022 to 11 AUG 2022

- Clipper Maintenance is Located at “The Park VNY”
- You can ask ground to Taxi to “The Park.”
- They may say, “Taxi to the **Northwest Corner** Via A.” This means the same thing as “taxi to the Prop Park Via A.”
- You will head into the “The Park VNY” by turning onto taxiway A3. This leads directly into the Prop Park.
- A3 and A2 are unidirectional. A3 is for inbound traffic and A2 is for outbound traffic. Aircraft entering the Park VNY shall YIELD to aircraft leaving the Park VNY.
- Once inside the Park VNY you will find Clipper Maintenance just past **the self-serve fuel station and near the wash rack.**
- You can park in front, and we will come out to meet you. (See diagram on next page.)

If you have any questions before your flight to Van Nuys you can call the following helpful people:
